CAMDEN, NJ – APRIL 1, 2020 – After careful consultation with members of our organization regarding the health and safety of everyone in our community – our supporters, our partners, and our longtime donors– we have made the difficult decision to cancel all events for the calendar year of 2020 hosted by our organization.

Following increased and overwhelming concerns about the COVID-19 virus, and in support of our city's leadership, we felt this was the best way to proceed during such an unprecedented global situation. We are very disappointed that we are unable to hold any of our events for our community and supporters. We know it's the right decision based on the information we have today.

Our team will be reaching out directly to partners and attendees with information about future events to come.

We are also exploring options with our members to coordinate an online experience to showcase organization announcements and news from this day forward. Updates will be shared on [www.sjbp.org](http://www.sjbp.org).

We thank everyone who have continued to support our organization this year. We look forward to bringing you the Parada San Juan Bautista in 2021 as a reimagined event that will bring our culture, artist, and the Camden City community together in a showcase that celebrates our heritage.

Best regards,

*Wanda Garcia*

President
